

# Easy Cheesy Nachos

Turn snack time into a fiesta with these Nachos – a fantastic treat to share with family and friends! They're incredibly easy to make and assemble. Feel free to customise with additional flavours like onions, chicken, or anything else that tickles your taste buds.

## Ingredients

300g salsa

400g refried beans

nachos

200g tortilla chips

handful chopped jalapeños

100g cheddar cheese, grated

100g mozzarella, grated

## Method

- Preheat the oven to 200°C / 180°C with a fan.
- Place a single layer of tortilla chips on a large baking tray.
- Mix the refried beans and salsa in a bowl. Dollop spoonfuls all over the tortillas.
- Scatter the jalapeños and cheese on top.
- Place another layer of tortillas over this and repeat the process.
- Place the tray in the oven for 20-25 minutes until the cheese is melted.

Time to serve!
