

Hot Cross Bun Chocolate Toastie

This is the perfect indulgent easter treat!

This recipe is in collaboration with [Waitrose](#).

Ingredients

4 hot cross buns (I'm using Waitrose's chocolate and orange buns)

soft cheese

90g 70% dark chocolate, grated

salted butter

Method

- Slice the bun in half.
- Spread some soft cheese evenly onto both halves.
- Add a generous sprinkle of grated chocolate onto half of the bun.
- Sandwich the halves together. Lightly coat the outside of the buns with salted butter. Repeat the process with the rest of the buns.
- Add the buns to a hot pan and press down. Cook on medium heat for 2 minutes. Flip them over and cook for another 2 minutes.

Enjoy them with a lovely cup of tea!
