

Mum's Aloo Paratha – Food with Chetna

My most favourite video yet! I finally got a chance to cook with my mum for Food with Chetna.

She made these amazing Aloo Parathas for us. One of my favourite meals of all times and the ultimate Comfort Food!

These Indian Flat breads are stuffed with amazingly spicy and delicious potato filling. We ate these piping hot parathas with fresh coriander chutney. You can also try these with yoghurt or pickles. Perfect for any meal or for packed lunches.

These are a MUST TRY! Enjoy!
